

Leadership Academy

By developing the leadership skills (professional, personal, and ministry) of young adults (18-25) in our community (school, church, and neighborhood), we endeavor to:

- Assist young adults in the discovery and embrace of the calling God has upon their lives
- Prepare educational leaders to serve the next generation of children and youth in our community
- Prepare leaders for the urban church and community

Track 1: High School Graduates

Work Requirements: *During the summer:* 3-4 days of work (inside or outside of Next Generation Ministries) as defined by agreement with mentor and supervisor

Other Requirements: Participation in ministry at Next Generation Ministries outside of work hours as defined by agreement with mentor and supervisor
